

BREAST HEALTH ADVOCATE TRAINING

Saturday, October 10, 2018, 9 a.m. to Noon
New Salem Baptist Church
8035 Craig St.

Individuals participating in the training will be prepared to serve as breast health advocates within their churches, organizations and communities

The training is free and topics we will cover include:

- Breast Health and Breast Cancer Basics
- Advocating for Yourself and Others in Health Environments
- Cultural Beliefs and Attitudes that Impact Health Decisions
- Connecting Women to Timely, Accessible and Free or Low Cost Breast Health Services and Support Resources in Indianapolis

Trainees will also receive a supply of materials for use within their churches, organizations and communities.
